

Collapsible Bin

The Collapsible bin consists of a base and four side walls – two measuring 48 inches and two measuring 45 inches. The 45-inch side walls are each equipped with two latches, positioned on either side, which securely interlock with the adjoining panels to hold the structure firmly in place when assembled.

Pull both latches on one of the 45-inch sides and push the side wall into the bin.

Repeat but on opposite 45-inch side

Collapse one of the 48-inch sides

Collapse remaining 48-inch side
