

## PERFORMA PALLET

### A Smarter Choice for Hygiene & Safety

As health and hygiene take centre stage in the food and related industries, our Performa Pallet offers a reliable solution that protects both your reputation and bottom line. Made from high-quality raw material, the pallet resists moisture and prevents absorption of foreign substances – eliminating cross-contamination risks. Its smooth surface also makes cleaning and sterilization effortless, making it highly suitable for pharmaceutical applications.

### Strength Meets Innovation

Engineered with an advanced design, the Performa Pallet is exceptionally strong and avoids the common issues of wooden pallets, such as protruding nails and broken slats that can damage packaging

### Built-In Value

In the unlikely event of damage, individual top or bottom components can be replaced – removing the need to replace the entire pallet.

**PALLET WEIGHT: 23KG**

Stackable Structural Foam Pallets	Dimensions		Weight (kg)	Style	Load Capacity (kg)	Pallet Rack Compatibility		
	L	W				Static	Dynamic	Decking Centre
Performa	1200	1000	23	2pc	5000 2000	1600	1600	1200
Performa with lip	1200	1000	23	2pc	5000 2000	1600	1600	1200
Performa Pallet Top	1200	1000	15	1pc	4000 1200	1000		
Export Pallet	1200	1000	8	1pc	1500 800			

Note: - The information contained in this document provides details of the product. Customers need to evaluate the product to determine application suitability for use prior to purchasing. The colors shown may differ from the actual product manufactured, this batch-to-batch variations will fall within the allowable industry standard.
