KAYMAC RIGID (PTY) LTD

COLLAPSIBLE BINS

The collapsible bin consists of a base and four side walls. They come in various high and sizes with equipped latches, positioned on either side, which securely interlock with the adjoining panels to hold the structure firmly in place when assembled.

How to Assemble the Bin:

Prepare the base and lift up the two sides.

Pull up one of the sides.

Pull up one side until the latches click.

Pull up the remaining side until it clicks.

How to Collapse the Bin:

Release latches on one side and push inward.

Repeat but on opposite side

Collapse one of the sides

Collapse remaining side.

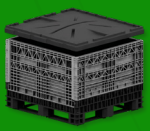

Note: - The information contained in this document provides details of the product. Customers need to evaluate the product to determine application suitability for use prior to purchasing. The colours shown may differ from the actual product manufactured, this batch-to-batch variations will fall within the allowable industry standard. Talk to your Kaymac sales representative or the technical team member if you are not sure.
